

News from Dearborn Charter Technology Class

Dear Students and Parents,
Welcome to the Computerwisekids Program. Students will be able to login from home to access:

Online Typing Tutor (GR 1-5): Students can login and learn & practice typing lessons. The tutor keeps track of accuracy and speed. Login 2-3 times a week and practice, practice, practice to improve your typing speed and accuracy.

Online Gallery: Student work/projects will be displayed online in .PDF format. We encourage parents, family and friends to login and enjoy the work.

Student Email (GR 2-5): Students may email their “grade level peers” through this email system. Login from anywhere, and enjoy conversations with your friends. Please be polite on the email system. Email privileges will be revoked for improper language.
